Our church would like to participate in Missions Pathways. We understand that the fee for participation is **\$3,900 plus the cost of reasonable travel for our Retreat facilitator (avg. \$850)**. Payment is due with the application. Once the application is received the Mission Pathways Leader Guide and financial worksheets will be emailed to the Team Facilitator.

**\*If Experience II retreat is delivered after December 31, 2019, this service will be subject to 2020 pricing (price to be determined).**

**\*\*A church's decision to cancel or postpone the retreat after the date is scheduled (and before the travel date) may result in up to a \$500 cancellation charge if travel reservations have already been purchased.**

**Team Facilitator:** The church will appoint a facilitator who will guide your Mission Pathways team. This person may be the pastor or a lay leader. Someone who is "tech-savvy" would be helpful due to the online videos. This person will be in charge of establishing module dates, ensuring working technology, securing the retreat setting and negotiating the retreat date with Hope. They will keep the team engaged, monitor homework, and keep the process flowing. They will also provide feedback forms between each session.
